9:13am 8/3/09 VM Russell Vincent called re letter received; please call.

RC 1:30; left VM

1:58 pm Mr. Vincent called left VM RO 2833

2:15 RC to Mr. Vincent. Ask him to claim site in Geotracker; all work completed before 2000, including closure, so nothing to upload (post 7/05); he just needs to claim and update contact info. I sent him an email with links to Geotracker and ACEH website.
