Dear Dr. Arulanantum:

Pursuant to our conversation today, I want to confirm our meeting on Wednesday, September 2, at 9:00 am in your offices. I will be coming in from Chicago and will have Harding Lawson, our environmental consultants for this project, also at the meeting. At this time, we are requesting Hugh Murphy, of the Hayward Fire Department and one of the building inspectors to also attend this meeting. We hope to take up minimal time and I sincerely appreciate the opportunity to meet and discuss this issue with you personally.

I look forward to see you and if you have any questions, please contact me at 312/466-3678.

Respectfully,

James J. Hackett Vice President Construction &
