Dear Messrs. Schmier, Schmier, and Wendel:

Alameda County Environmental Health (ACEH) staff has reviewed the case file including ACEH's most recent directive letter dated July 2, 2014. You should be aware that there have been recent changes in state policy. On May 1, 2012, the SWRCB adopted the Low Threat Underground Storage Tank Case Closure Policy (LTCP), which became effective on August 17, 2012.

ACEH would like to discuss the affect of the policy on the site, and mutually determine a path to closure for the subject case in light of the LTCP. Please provide ACEH with several dates and times during which a meeting can be scheduled to discuss the path to closure. ACEH staff will select dates and times from your list to arrange the meeting. Please provide the list of available dates and times by **September 22, 2014**.

As your email address does not appear above, ACEH is requesting you provide your email address so that we can correspond with you quickly and efficiently regarding your case. Online case files are available for review at the following website: <http://www.acgov.org/aceh/index.htm>.

Thank you for your cooperation. ACEH looks forward to working with you and your consultants to advance the case toward closure. If you have any questions, please call me at (510) 567-6876 or send me an electronic mail message at mark.detterman@acgov.org.

Sincerely,
