Subject: Review Summary Report - Closure - Second Review for Claim Number 18481 Bay Counties Petroleum, 6310 Houston Place, Dublin, CA

Mr. Larson and Mr. Trommer,

We have received the Review Summary Report for Bay Petroleum, 6310 Houston Place, Dublin, CA dated December 14, 2013. The Summary Report has determined that case closure is warranted and requests a response from the Alameda County Environmental Health (ACEH) Local Oversight Program. ACEH has reviewed the case and will proceed with case closure using a site management requirement. ACEH will provide public notification of the case closure within 3 months and pending public comment will close the case following well decommissioning.

Site: Bay Counties Petroleum
Address: 6310 Houston Place, Dublin, CA 94568
Cleanup Fund Claim Number: 18481
ACEH Case Number: RO0002862
GeoTracker Global ID T0600113164
