Good Morning Ms. Drogos,

From my understanding for the site above, the caseworker was originally Barney Chan who is no longer with the ACHSCA and the site currently has no assigned caseworker. A Pilot Test Corrective Action Work Plan was submitted to your FTP upload server a few months ago. Because no case worker has been assigned as of yet, I am requesting on my client's behalf to reduce the frequency of sampling from quarterly to bi-annually until a new case worker is assigned.

If you think that a caseworker will be assigned to the site relatively soon, please let me know who it is and how I can get in touch with them. Hope all is well. Thank you.

Best Regards,

Adrian M. Angel
