Good morning Dilan,

I just want to keep you in the loop with the most recent developments for the subject site; our client recently requested that the UST Cleanup Fund (USTCF) conduct a 5-Year Review for the subject property. Pat Cullen of the USTCF called me this morning to discuss the site; he mentioned that he expects to issue the review within the next couple of weeks.

I also want you to know that the RP has just requested that Stratus look into filing an appeal with the Regional Board for this case. Stratus has not started this process, as we hope to have both the 5-Year Review and your directive letter in hand for discussion with the RP before proceeding down that road.

Stratus continues to research and prepare the SCM, as we discussed during our meeting; though, we have not yet received your directive letter.

Sincerely,

Kasey L. Jones
