Good morning Mr. Wickham,

Per your April 7th correspondence, we will properly decommission the wells at the Bay Counties site on April 14th and 15th. Well destruction permits have been obtained from Zone 7 and we are all set to go. If you have any questions or need anything else, please feel free to contact me.

I'm not sure if you know or not but Kasey Jones (former PM for the site) has left Stratus and I will be taking over project management responsibilities for this project. Please direct future correspondence to this email address.

Thank you,

Trevor Hartwell, P.G.
