Hi, Steven and Karl.

As an update, I spoke with the lawyers for the Parks and Perrys and they said they will follow-up and find out why there has been no response from them on the Consultative Agreement. I am still planning to e-mail DTSC's comments on the SVE WP by the end of the week.

Bud and Karl,

I should have a letter out tomorrow requiring compliance from all parties involved. I am hopeful that this request will be heeded, and we will be able get things moving forward.

Thank you for your cooperation.

Good afternoon, gentlemen.

Could I please receive an update on the status of the transmittal of the Fact Sheet? Has it been handed out to the students at the Montessori School yet? We should not wait on that if you are waiting on assistance from DTSC for the distribution list.

Steven, I will get you an e-mail before the end of the day tomorrow on the SVE Pilot Test Workplan.

Thanks!

Bud
