Subject: 101 Greenville Rd

Hi Jerry,

Per my voicemail, I am looking for any information you may have on a site at 101 N. Greenville Rd, RO2898, TDW Construction. The contaminant of concern seems so be Nica (sp?) metals. It looks like this is a fairly recent case but I'm hoping you could send me any electronic reports or correspondence relate to the site.

Thanks in advance,

Cheryl Dizon
