Subject: RO2869, Garza & Associates
Entry Type: Phone call
Company: Norm Ozaki

Start: Tue 7/7/2009 3:45 PM
End: Tue 7/7/2009 4:15 PM
Duration: 30 minutes

Discuss Garza and Associates Geotracker claiming with Norm Ozaki. He asked if he should take out an additional Geotracker number for the site, but I said he should keep the one that is already there. He also stated his client Ron Silberman is trying to get closure for the site for refinancing. He submitted a request for closure with all the data they have been collecting for the last few years in the RFC. He would like to have us work on this quickly.
