Based on the circumstances presented in your e-mail, your request to postpone submittal of the report until an access agreement is secured is acceptable.

Subject: BP Station #498 (RO2873) - SWI Deadline

Hi Paresh,

This email is regarding the upcoming deadline of November 10, 2010 for submittal of a soil and groundwater investigation report for BP Station #498 located at 286 S. Livermore Ave., Livermore, CA. Unfortunately, off-site property access has not been obtained in order to properly conduct the investigation. Initial contact with the adjacent property owner was made via telephone but a follow-up response to that call has not been received. We will attempt to make contact with the property owner again this month. It is requested that the deadline for this investigation be postponed until an official property access agreement is in place. ACEH will be notified as soon as the agreement is finalized or within three months if an agreement cannot be arranged. A written response to this request would be greatly appreciated. Please feel free to contact me directly with any questions. Thanks. Take care.
