**Subject:** BP Station #498 (ACEH Case No. RO0002873) - Report Extension Request

Hello Jerry,

I attempted to call you earlier today and heard that you are off until Monday, I hope you are enjoying your time off. We have run into a few hurdles with the final review and subsequent edits to the Additional Soil and Groundwater Investigation, Conceptual Site Model, and First Quarter 2014 Report for BP Station #498 located at 286 South Livermore Ave., Livermore, CA, which has a current deadline of April 11, 2014. Due to upcoming vacations and staffing commitments, we respectfully request a minor extension to April 25, 2014 for submittal of this report. Please respond via email regarding this request when you are able. Should you have any questions or concerns, please do not hesitate to contact me directly. Thank you. Take care.
