Jerry:

We are writing to request an extension for the submittal of the Off-site Sampling Results Report due October 14, 2008. Due to the unanticipated delays in obtaining approval for an encroachment permit from the Bay Area Rapid Transit District (BART) to access the MacArthur Station parking lot, we have requested an extension for the submittal of the Off-site Sampling Results Report to November 30, 2008. We anticipate permit approval within the next week with drilling activities scheduled to be conducted the week of October 20, 2008.

Please call me at 415/460-6770, extension 206 or Peter Krasnoff at 415/460-6770, extension 208, if you have any questions.

Peter Morris
