Subject: 700 Independent Road

Hi Jerry,

I just want to let you know that we will be drilling at 700 Independent Road next week on Tuesday, Wednesday and Thursday (January 22, 23, 24) should you care to come by. As per our work plan and including your requests, the scope of work includes drilling three borings on-site and two across the street and completing two of the borings as monitoring wells. We plan to develop and sample the wells (on another day) the following week. Your case no. is R00002900. Please call if you have any questions.
