John,

The door to door well survey form is approved for use. However, we request that the area be expanded to include the line of homes on the opposite side of 10th Street as shown on the attached map. The plume likely extends beneath the residential area and a larger buffer is needed.

Draft door-to-door well survey uploaded to ftp.
Jerry- I would also request a 30 day extension for submittal of responses to ACEH technical comments.
