Submitted site to me 2 wks ago, update, timeline of getting meeting arranged?

10/27/05, 910a, called him back  
Reiterated discussion he & I had on 10/11/05, we will need referral from OFD, as he just submitted to OFD they probably have not processed yet. Has he spoken to OFD re: referral, no.

Property owner wants to refinance. Told him its not a case at our agency, cannot process a new contamination case in a timeframe that meets his immediate refinance needs. Cannot arrange meeting for site we don't have in program & have not reviewed.
