Kelly,

I have not reviewed the revised work plan, which we received on 7/27. I was unexpectedly out of the office for a little more than one week. There are currently about 8 cases with reports or work plans of some type ahead of yours. Given this workload, I expect to review the work plan within 5 working days.

Good morning, Jerry:

I would like to follow up regarding a previous submittal to your organization. We prepared and submitted a revised work plan for the 224 Rickenbacker Circle site in Livermore a few weeks back, and we were wondering if you've had a chance to review the document. Please let us know at your convenience as to the status of your review, as we would like to provide an update to our client. If you have any questions or would like to discuss the revised work plan, please feel free to contact us.

Thank you,
Kelly
