Mr. Wickham,

On 09 June 2009 Advanced GeoEnvironmental Inc. (AGE) requested an extension to submit an Interim Remediation Work Plan (IRWP) on behalf of our client, Mr. Robert Strong for the site located at 224 Rickenbacker Circle, Livermore, California. The extension was granted in an email dating 09 June 2009 by Mr. Jerry Wickham of the Alameda County Environmental Health Department. Due to current budget and scheduling constraints AGE is requesting an additional 30 day extension to submit the work plan. If approved, AGE anticipates the submittal of the work plan no later than 11 September 2009. Should you have any questions please contact me at 1-209-323-6516 or by email at [dvillanueva@advgeoenv.com](mailto:dvillanueva@advgeoenv.com).

Thank You,

**Daniel Villanueva**
