Entry Type: Phone call

Start: Tue 7/1/2008 8:01 AM

End: Tue 7/1/2008 8:01 AM

Duration: 0 hours

Phone call with Bob Strong regarding the planned soil vapor sampling at site. He questioned whether ACEH agreed with sampling. We provided comments on proposed sampling but cannot assure that proposed sampling will address discrepancy. I could not comment on likely outcomes since there are too many variables. We still have an issue with the reporting of soil vapor results in previous report.
