Subject: Site Cleanup Program Case File # RO0002918 and Geotracker Global ID T06019797353,  
Jordan Ranch, 4233 Fallon Road, Dublin, CA 94568

Dear Mr. Nandwana:

The above-referenced site is a Site Cleanup Program (SCP) case due to the presence of soil and groundwater contamination on the property. Alameda County Environmental Health (ACEH) is the agency providing regulatory oversight for this case. Our records indicate that the current balance on the above-referenced SCP oversight account is a negative \$8,666.50. In order to continue to provide regulatory oversight, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$16,000.00. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$189.00 per hour.

Please write "SPC" (the type of project), the site address, and the AR# 0305998 on your check.

If you have any questions, please contact Dilan Roe at (510) 567-6767.

Sincerely,
