Why is Clearwater calling frequently, they said she is having them call. She said no she is asking for info from Clearwater. She has various issues with Clearwater re: charges she feels are inappropriate, other issues, etc., that she is asking them for information. I informed her that Clearwater is indicating that she is requesting contact with ACEH, that's why I am calling her.

She said she is not inquiring about additional work & has not directed Clearwater to do so.

Discussed site, she inherited from uncle, passed away
2 neighboring properties (houses) adjacent

One house purchased by attorney (3875 Orange) & he is contacting her frequently about site & clearing property. Has note in sales contract re: LUFT issue.

I questioned why his property is identified with site. Why did Clearwater include his property address in the reports as the LUFT site when the USTs were on 387 Orange? She does not know. I told her I am listing site as 387 Orange & 385 Orange is not a part of the LUFT site.

Told her we will be listing case & assigning.
