

Jakub, Barbara, Env. Health

Subject: RO2922, 160 14th St., Oakland
Entry Type: Phone call
Company: ACC Environmental

Start: Mon 11/24/2008 10:50 AM
End: Mon 11/24/2008 11:00 AM
Duration: 10 minutes

Called Stephen Southern to request that he submit the reports electronically. He informed me that the building has been completed and is commercial on the bottom floor and residential above. Dave DeMente left ACC and therefore, the report was submitted later. The reports were submitted to the Oakland Fire Department previously and no response has been received from them.
