Mr. Flores,

Regarding the status of the above referenced case RO2924, a case closure summary has been completed and submitted to my Supervisor, Donna Drogos for her review. Following her review and approval, the closure package will be submitted to the Water Board for their concurrence. If the closure is approved by my Supervisor and the Water Board, a closure letter would then be prepared.

Regards,

John,

Below is the contact info for the gentleman responsible for overseeing the 901 Jeff case for Alameda County. I spoke to him earlier this week and he is supposed to begin his write up this week that will then be reviewed by his boss, Donna Drogos.

I plan to follow up with him on Monday to assess his progress (and push him along), but you are certainly welcome to put in a call. Let me know if you have any specific questions regarding the process or timeline.
