Hi Mr. Wickham,

In regards to the additional injections work plan for the above-referenced site, the work plan has not been completed and will unfortunately not be submitted before the July 21, 2009 deadline. Based on this, I am requesting a deadline extension to August 26, 2009.

I hope that you will be able to accommodate this extension request. Should you have any questions whatsoever please don't hesitate to email or contact me at (408) 559-7600.

Thank you.
