Subject: **Semi-Annual Discharge Report**
Permit No. 68508758
403 East 12th Street
Oakland, CA

Dear Ms. Brown:

Environmental Compliance Group, LLC (ECG) is authorized by Rashid Ghafoor to submit this letter documenting the sewer discharge operations for March 31 through September 30, 2017. This letter is prepared in accordance with the East Bay Municipal Utilities District (EBMUD), *Wastewater Discharge Permit No. 68508758*, issued April 16, 2014.

The groundwater treatment system was started on April 30, 2014. **The system was shut down on April 11, 2016 for rebound monitoring and did not operate during the reporting period.**

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations

ECG will notify EBMUD prior to restarting the remediation system.

If you have any questions or concerns please contact me with any concerns or questions at 209.664.1035.

Sincerely,
Environmental Compliance Group, LLC

Drew Van Allen
