Hi Robert:

Thank you for the email – Your current caseworker is Karel Detterman, I have copied her for contact info. The last ACEH Directive Letter, dated March 7, 2013, requested submittal of an updated SCM, Preferential Study and Data Gap Work Plan and continued groundwater monitoring reports. The site is currently out of compliance with these directive. Please provide a status update.

Additionally, if you have an email address for the Responsible Party Steffi R. Zimmerman, could you please forward that to Karel.

Karel will be sending a Directive Letter to Steffi Zimmerman providing notification that the site is out of compliance with our directives. If you would like to schedule a meeting to discuss the site and the next steps, we would be happy to do so. Please let Karel know.

Thanks,

Dilan Roe, P.E.
