**Subject: Notice of Change of Ownership and Request for Time Extension to  
Execute Closure Plan for Hanson Aggregates Radium Facility, 3000 Busch  
Road, Pleasanton, California**

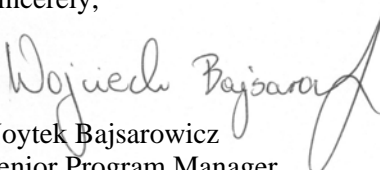

Dear Mr. Rigter and Mr. Wickham:

On behalf of Legacy Partners (Legacy) I would like to inform you of the change of ownership of that portion of the subject property referred to as Parcel 1 or Area of Concern 1 (AOC #1) (SLIC Case RO0002941 and Geotracker Global ID SLT19719376), which formerly housed Hanson's hot mix asphalt plant operation. Legacy took ownership of that portion of the property on July 30, 2010.

Having just taken ownership of the property, Legacy is now in the process of selecting a contractor to perform closure activities conditionally approved by the Livermore-Pleasanton Fire Department (LPFD) by letter dated May 19, 2010 from John Rigter to Mr. Lee W. Cover and Mr. Steven Dunn and conditionally approved by the Alameda County Environmental Health (ACEH) by letter dated April 10, 2010 from Jerry Wickham to Mr. Lee Cover and Mr. Steven Dunn. By this letter, Legacy is requesting an extension of time until August 31, 2012 to perform the closure activities specified in the conditionally approved work plan.

Please feel free to contact me at (925) 979-1452 if you have any questions regarding this change of ownership notification or request for time extension.

Sincerely,

  
Wojciech Bajsarowicz
