**Subject:** RE: Sparkle Cleaners Remediation - Extension Request

Will,

Based upon your request, the schedule for submittal of a soil removal and monitoring well installation report is extended to September 9, 2007.

Regards,

*Jerry Wickham*

**Subject:** Sparkle Cleaners Remediation - Extension Request

Jerry,

As we discussed, the purpose of this email is to request a 60-day extension for submittal of the soil removal and monitoring well installation reports that were specified in your February 27, 2007 remediation approval letter. We will submit these reports on or before September 9, 2007. Please contact me with any questions.

Thank you,

Will Mast
