Sami,

I have changed the delivery date on Geotracker to November 21<sup>st</sup>. The delay appears warranted due to the funding situation.

Thanks for the update.

Hi Mark:

I am writing this email to let you know that we have not yet received the approval of the Orphan Fund for the soil vapor survey and interim remedial action at 2145 35<sup>th</sup> Avenue in Oakland. In your attached letter, you requested reports on the soil vapor survey and interim remedial action by August 22, 2014. Since we have not received the approval from the Fund yet, we are requesting 90-day extension to submit these reports. That is to submit the reports by November 21, 2014. We expect to receive approval from the Fund within the next two to three weeks.

Your help and cooperation are greatly appreciated.

Thanks,

---
