Olivia,

The criteria for naming responsible parties are set in the regulations. Unless Cardanal Properties LLC is a corporate successor by merger to Gamma Investments, Gamma Investments should be identified as a responsible party.

Subject: re PRPs listed for RO0002949

Jerry;

In speaking yesterday with Dan Altwarg, represented by Malcolm Leader-Picone, he mentioned that the third PRP listed in your letter of August 12, 2008 to the four PRPs, should be altered. Apparently, Gamma Investments is an entity owned by his family. As he bought the property from his family, and would also be representing them, naming them as an additional PRP should be reconsidered.

At your convenience, could you please respond to the parties above to resolve this issue.

Thank you,

Olivia Jacobs
