Hello Mr. Plunkett,

I requested a copy of the Tier 1 report for the Rolls-Royce Engine Test Facility, be sent to you in the appropriate e- format yesterday. Thanks for reminding us about the electronic submission requirement! Could you please let me know what if anything needs to be done regarding the Notice to Comply letter issued by Mr. Paresh Khatri of Alameda County on July, 28th 2009 ?

As you requested, I did claim the site on Geotracker. After having claimed the site, I'm not sure what should come next? The Notice to Comply referenced Slic Case # RO0002915 .
