Subject: Radum Property Former Asphalt Plant Closure Plan - Status of Review

Mr. Rigter,

I left a voice message with you on July 8, 2009, regarding receipt and review of the Radum property former asphalt plant closure plan submitted to LPFD dated June 19, 2009. Your follow up voice mail response stated that you received the plan and anticipated reviewing the closure plan the following week. Please advise the status of your review and if you have any questions. We are anxious to proceed with the additional soil sampling in order to prepare for demolition. We are under contractual obligations with Legacy to obtain a No Further Action letter from both the LPDF as CUPA and ACEH on this parcel by July 2010. Thank you.
