Mr. Bajsarowicz:

Draft responses to your correspondence regarding a schedule extension for work in AOC1 and comments regarding the Closure Plan for AOC2 and AOC3 are in preparation. We anticipate that responses from both Livermore-Pleasanton Fire Department and Alameda County Environmental Health will be issued following technical and legal review.

**Subject:** FW: Follow up to Notice of Change of Ownership and Request for Time Extension to Execute Closure Plan for Hanson Aggregates Radum Facility, 3000 Busch Road, Pleasanton, California.

Dear Messrs. Rigter and Wickham:

This is a follow up to the letter sent to you by Haley & Aldrich, Inc. on August 6, 2010 (copy attached) on behalf of Legacy Partners (Legacy) regarding their newly acquired property at 3000 Busch Road in Pleasanton, California. In that letter we requested, on Legacy's behalf, an extension of time to perform site closure activities conditionally approved by the Livermore-Pleasanton Fire Department (LFPD) and Alameda County Environmental Health (ACEH). We are now soliciting an update as to the status of that request. The Revised Closure Plan for the Former Radum Property AOC #2 and AOC#3 was submitted to both agencies on the May 28, 2010 due date. As of today we have not received any comments regarding the proposed closure activities presented in this Plan.

You may respond directly to this email or call Voytek Bajsarowicz at (925)949-1015. Thank you for your assistance with this matter.
