This morning I received confirmation from John Rigter that he concurs with Jerry Wickham to extend the deadline for receipt of the revised AOC 2&3 closure plan 60 days, or to July 28, 2011. Jerry and John, please confirm your approval with a return reply. Thank you.

**Subject:** Former Radum Site Revised Closure Plan Requirement

Jerry,

To follow up on our conversation today, I requested an extension to the May 28, 2011 deadline to submit a revised closure plan for the former Radum AOC 2&3 based on the ACEH technical comment letter dated April 12, 2011, and the LFPD letter dated April 7, 2011. The request was based on the need for further coordination with Legacy in preparing the

plan. You stated that contingent on Mr. John Rigter's response, you would consider a 60 day extension. I've called and left a voice message with John requesting an extension as well, and am awaiting a return call. For your information.

Thank you.
