Jerry,

I'm sorry I have not had the chance to answer your calls, last week I was out sick and this week I've been out of the office looking for demolition work. Times have been very difficult for us. The truth is I'm not sure if we are going to survive. I can meet with whomever you would like but I'm not sure what I can commit to. It is my desire to get this property cleaned up but \$10,000 - \$30,000 worth of clean up would truly cripple us to the point of no return.

Please let me know what I can do.

Mr. Mendoza:

We are requesting that you attend a meeting with a representative from the Alameda County District Attorney's office and this office to discuss the status of your case for 6491 Southfront, Livermore and whether the case will be referred to the District Attorney's office for enforcement. The schedule to begin excavation and submit reports documenting the actions have passed without action. I have phoned you several times but you have not responded. If I do not hear back from you by the end of the day Friday, October30, 2009 regarding your attendance at the meeting, the case will be referred to the District Attorney's office.

Regards,
