Subject: SLIC Case No. RO0002966 and Geotracker Global ID SLT19765274, Nica Metals, 6491 Southfront Road, Livermore, CA 94551

Dear Mr. Mendoza:

You have been identified as a responsible party for the Spills, Leaks, Investigations, and Cleanup (SLIC) case at the above referenced site. You are required to submit funds in order for ACEH to provide regulatory oversight of the case. We are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$3,000.00. This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$173.00 per hour. Please write "SLIC" (the type of project), the site address, and the account ID AR0320138 on your check.

If you have any questions, please call Jerry Wickham at (510) 567-6791 or contact him by electronic mail at jerry.wickham@acgov.org.

Sincerely,

William Pitcher
Division Chief
