Dear Ms. Jakub:

On April 3, 2009, Delta Consultants (Delta), on behalf of ConocoPhillips Company, submitted a work plan addendum to your agency, modifying Delta's *Additional Site Assessment Work Plan*, dated October 29, 2008. The work plan addendum was submitted in response to correspondence received from the Alameda County Health Care Services Agency dated March 6, 2009. The timely completion of this work is crucial for Delta to meet contractual milestones and timelines.

As of today, it has been more than sixty (60) days since the workplan was submitted to your agency for review and comments. Therefore, in accordance with Title 23, Division 3, Chapter 16, Article 11, Section 2722 (e) of the California Code of Regulations, this letter is being submitted to inform your agency of Delta's intent to proceed with the work described in the above referenced work plan and addendum.

If you have any questions concerning this submittal, please contact us at (408) 826-1867.

Sincerely,

DELTA CONSULTANTS
