Subject: RO243, Claremont Ave Unocal and RO2968, Castro Valley Blvd.
Entry Type: Phone call
Company: Antea Group

Start: Tue 2/22/2011 10:50 AM
End: Tue 2/22/2011 11:10 AM
Duration: 20 minutes

Jim Barnard calls to notify me that another company will be performing the tank removal in March for the Safeway. We discuss the diesel at the castro valley site. Jim will look into the presence of diesel USTs. He thinks there were only gasoline USTs at the site. I also requested him to look at nearby potential sites for an offsite source.
