Dear Mr. Nolan,

Alameda County Environmental Health (ACEH) issued a directive letter on March 7, 2013 requesting that you provide ACEH with a List of Landowners Form and a Confirmation Schedule for Well Decommissioning. ACEH has not received either of these documents. A Notice of Violation will be issued if ACEH has not been provided these document by the end of the week. A copy of our March 7, 2013 directive letter is provided as an attachment.

Thank you for your cooperation,

Keith Nowell
