I had a voice mail from Ed Ralston re RO2969- Unocal #6277 at 15803 E 14th St, San Leandro. Mr. Ralston was cc'ed on an email sent to Platinum Energy & their consultant. The subject of the email was the response for scheduling well destruction and the processing and return of the landowner form. The documents are overdue. Mr. Ralston indicated he would contact the consultant and identify reasons for the delay. He said this was an ELT project and they were responsible to perform the work.
