Subject: FTP upload

Categories: Mail_Cases_Plopping

I haven't been able to upload because I still haven't heard back from any of my colleagues, nor your office (I emailed the tech staff for the FTP site) regarding an ID and a password for FTP uploading. If you could help me acquire this information, I would be very grateful. Thanks!

Donna-

I uploaded the document for the 2301-2307 Lincoln Ave spoke about this morning . The file name is "2301-2307 Lincoln_Investigation Report_2007-12-17.pdf"

My client's name is Allen Sebanc, and his phone number is (650) 342-7807.

I have contacted Denis Brown for the Former Shell Service Station #; I will pass along to you in an email once I recieve from him.

Respectfully,
Jake Torrens

P.S. Please delete the following file from the FTP site, "GMX '08_11037.001_Former Automotive Station Letter Report_Feb 21.pdf", it was posted in error on the FTP site before I realized that there was a special naming convention for the files. I tried to delete myself, but I don't have the rights to do so.
