Jerry,

As we discussed on the telephone yesterday, I request that the due dates for CRA's groundwater monitoring reports for this site be the 28th day of the second month after the end of the sampling quarter instead of the 22nd day of the first month after the end of the sampling quarter. This change would revise the due date for the Second Quarter 2010 Groundwater Monitoring Report specified in your January 12, 2010 letter from July 22, 2010 to August 28, 2010. Thank you.
