Re: Fuel Leak Case No. RO0002973 and Geotracker Global ID T0619717287, Ambassador
Laundry, Emeryville, CA

Dear Ms. Jakub:

This letter responds to your letters of July 3, 2008 and July 7, 2008 to Eltex Investments Corp. regarding the above-referenced matter. Based on our information, it is our understanding that Eltex owned the subject property for approximately six months in 1999 after the underground storage tanks had been removed and closure granted by the Alameda County Health Care Services Agency. As such, Eltex has no liability for the contamination referenced in your letters. Further, this will confirm, based on an August 11, 2008 telephone conversation with you, that the City of Emeryville is addressing the concerns of the Health Care Services Agency and that Eltex does not need to further respond to your letters. Thank you for your cooperation in this matter.

Very truly yours,

Mark E. Freeze
