Re: Fuel Leak Case No. RO0002973 and Geotracker Global ID T0619717287, Ambassador
Laundry, Emeryville, CA

Dear Ms. Jakub:

We are in receipt of your letter dated January 9, 2009 to Eltex Investments Corporation regarding the above-referenced matter. As we previously explained, it is our position that Eltex has no liability for the contamination referenced in your letter. Further, based on our conversation with you on August 11, 2008 and as confirmed by letter of that date (copy enclosed), it is our understanding that the City of Emeryville is addressing the contamination at the site and that Eltex does not need to further respond. We assume this is still the case unless we hear from you.

Very truly yours,

Mark E. Freeze
