Subject: Ambassador Report Delay

Mr. Detterman,

Adanta is having some scheduling problems that have delayed the completion of the Ambassador report due to you on August 7, 2012. Data was slow arriving and was not delivered until our geologist was on a previously scheduled two-week vacation. We would like to request an addition two weeks to be able to complete the report for your review.

I apologize for any inconvenience this delay causes.

Thank You

Nick Patz
