Rebekah,

Based on our discussion, it appears that access, both for bore SB10 and permitting through the city may be problems that contribute to a delay. Please use this email to document ACEH concurrence with the extension.

Subject: RO0002974 Exxon 990 San Pablo Avenue, Albany, California

Mark:

Per our discussion yesterday, I would like to request an extension of February 15, 2014 for submission of the results report for RO0002974 soil and groundwater investigation.
