Ulla,

Case RO0018 (T0600100262) is an open case that applies to the deed restricted northwest corner of the site. The former Carnation Dairy site was subdivided into two cases to allow development outside the northwest quadrant of the site. The attached case closure for RO2978 (Geotracker T10000000210) applies to the southern half of the site. Specific parcels are described in the case closure.

Dear Jerry,
I have a project that is on the southern half of this site. I see that you have an open case on the old Carnation Dairy property (T0600100262). Can you tell me if the Southern half of this site is good to go?
Thank you,
Ulla
