Subject: ACEH Case No. RO0002981 -Red Hanger Kleanners -Report Submittal Extension Request

Hi Keith,

As we just discussed on the telephone, I am writing to request a two week extension for submittal of the report documenting SVE feasibility testing and SVE system installation and startup for the subject site. The requested revised report submittal date is July 5, 2016.

Thank you!

Paul

Dear Mr. Elvidge,

Alameda County Department of Environmental Health (ACEH) approved the Site Investigation and Soil Vapor Extraction Feasibility Test Work Plan prepared by P&D Environmental in a letter March 17, 2016.

In addition to the comments provided in the approval letter, ACEH requests the startup of the soil vapor extraction (SVE) remediation system referenced in the Work Plan as soon as practicable after it P&D has obtained the Bay Area Air Quality Management District (BAAQMD) permit approval to construct the SVE remediation system at the Property.

Should you have any questions regarding this correspondence or your case please contact me or Keith Nowell.
