

5/23/2016 Phone Log- RO2981 Red Hanger Kleaners, 6235-6239 College Ave., Oakland

Duration: less than 10 minutes

Received a phone call from Paul King of P&D Environmental this afternoon regarding RHK. Mr. King called to follow up with the distribution of the most recent fact sheet. He identified the addresses for the two four-plex buildings along 63rd as 321-B and 323 A through D. I attempted to determine the addresses, but my attempt was foiled by computer error.

Again, Mr. King reiterated the list for the fact sheet distribution. I requested he send me a distribution list via email. He said he would.
