**Categories:** Mail\_Cases

Hi Donna,

Ref: URF  
PDF version of UST removal report  
RO2983 - 925 Stanford Ave

After receiving your request for the URF and complete UST removal report dated October 21st, I called Gribi and Associates on October 22nd, and spoke with Jim Gribi asking him to forward the above items to you before October 31st, which he said he would do.

I called Gribi and Associates today and discovered that this information has not yet been sent. Please accept my apologies for not having caught this sooner. Jim has promised me that he will send the PDF version of the UST removal report to you today as well as the completed URF. I hope this hasn't caused too much hold up on your end. I will call Jim before the end of work today to make sure you have received this information.

I appreciate your patience in this matter. In future, should I direct my correspondence to Barbara Jakub, and if so, may I please have her email address?

Sincerely,

Sue Rosenberg

Hi Sue, Okay, The Gribi reports are fine as long as you don't have any other environmental reports for the site like phase 1, etc prepared by other consultants. Also, your caseworker will be Barbara Jakub. Thank You, Donna

Hi Donna,

I spoke with Jim Gribi today and he will send you the URF and the complete UST removal report. Gribi has no other reports regarding this project that I know of. Gribi and Associates were the main source I contracted with for this project, all subcontractors were contracted through Gribi.

Sue

Hi Sue, I am in the process of listing your case as a fuel leak case at ACEH. After reviewing the available documents for your site I am missing the items below. Please submit these items to ACEH by 10/31/08.

- Unauthorized Release Form (hardcopy original)
- Complete UST removal report (by pdf to ftp site) the copy I have is incomplete as all lab datasheets, COC, etc., are missing.
- All other environmental reports prepared for the site (Phase 1s, SWI, etc) – by pdfs to ftp site

Additionally, you will be receiving a notice of responsibility & directive letter from the caseworker within the next 30 days.

Thank You, Donna
